

User Flow for Creating and Sharing an Accountability Image

1. Receive CTA (e.g. email, etc.)
2. Go to URL
3. I.D. Representatives
 - a. Senators by state
 - b. House Reps by zip code*. (*Mostly - We can link to existing tools that can find someone's district.)
4. Choose a Topic or Vote - If there is more than one.
- ~~5. Pick Desired Outcome - Volunteer can choose if they wanted a yes on no vote.~~
6. Choose Rep(s) - All relevant Reps that have voted should be shown. (Should we think about Reps that abstained from voting?)
7. Review/Edit helper text/hashtags
8. Share (maybe outside tool)
 - a. Twitter
 - b. Facebook
 - c. Pinterest
 - d. Email
 - e. Snap (geolocation filter)
 - f. Instagram

User Flow for Admin UI
